

PSYCHOSOCIAL SUPPORT

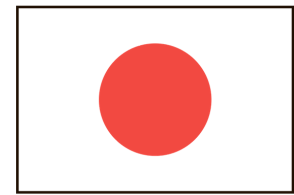

redcross.org.ua/mhpss/

PSS PROJECTS

Emergency assistance and psychosocial support for conflict affected people in Ukraine. Project is financed by Ministry of Foreign Affairs of Denmark

Target regions: Zhytomyr, Kropivnytskii, Mariupol, Chernigiv

From
the People of Japan

Support to affected population of Ukraine in strengthening resilience and resuming normal life

Target regions: Odesa, Kyiv and Kyiv city

Ukraine: Complex emergency

Target regions: Dnipro, Kherson

Creating safe and protective environments for children and caregivers (till 31/06/2017)

Target regions: Pokrovsk, Selidove, Berdyansk

OUR GOALS

Beneficiaries

The most vulnerable conflict-affected people in the target regions receive psychosocial support and protection enhancing their wellbeing, resilience and coping mechanisms.

HR

RC volunteers are technically and psychosocially supported in their work.

Capacity

URCS' skills in providing PS Support through trainings and networking strengthened.

TARGET GROUPS

- IDPs;
- Demobilized servicemen;
- Family members of servicemen;
- Staff and volunteers

PSS ACTIVITIES

- Targeted thematic support groups;
- Community togetherness
- Joint activities for all groups;
- Safe spaces;
- Summer camp;
- Financial support (vouchers);
- Recreations and creation activities;
- Peer support for staff and volunteers

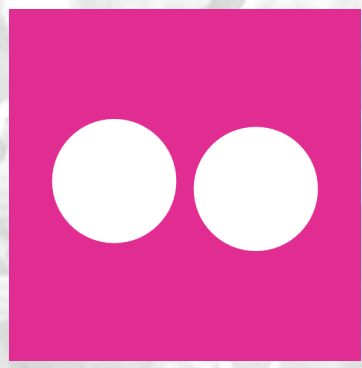

OUR ACHIEVEMENTS

- URCS can meet own needs in training staff and volunteers to provide target groups with PSS;
- HR: PSS Managers, PSS volunteers (incl. psychologists);
- PSS training modules adapted to Ukrainian context;
- Ability to develop new material as necessary;
- Sustainable administrative resources "Safe Space"
